TEACHING EXPERIENCE

Chief Instructor, Armed Forces War Course Wing, National Defence College, 2016-18.

As the chief academic and administrative officer of the wing, was directly responsible to the Commandant for Academic Affairs. Had specific responsibility for planning and development of course curriculum, policies and procedures to meet the current and long-range needs of the faculty and student body and to fit into the total objectives of NDC. Provided leadership and promoted competence within the faculty, created conditions conducive to the improvement of instruction and scholarly research.

Worked as examiner of Bangladesh University of Professionals for awarding M Phil & Master degree to the students.

Adjunct Faculty, School of Business, **Northern University Bangladesh**, 2013.

Taught 'Integrated Marketing Communication' course, supervised experiments, set question papers, and graded assignments & answer scripts of MBA class.

Faculty Member (Directing Staff & Senior Instructor), Defence Services Command & Staff College, (National University), 2005-2008

Taught courses on Defence management, Research methodology, Strategic studies, Military staff and communication skill, Decision making process, Training management and Military operations.

Supervised experiments, set question papers, and graded assignments & answer scripts of graduate students.

Worked as examiner of National University for awarding Master degree to the students.

Instructor, Bangladesh Military Academy, (National University), 1992-1997

Taught courses on Military operations, Administration and management of Army units and Military staff and communication skill.

Supervised experiments, set question papers, and graded assignments & answer scripts of undergraduate students.

Worked as examiner for National University for awarding BA/ BSc degree to the students.

Received '**Distinguished instructor award**' from Bangladesh Army.

RESEARCH EXPERIENCE

Research Supervisor (Sponsor Directing Staff), Armed Forces War Course, National Defence College, (National University), 2019 - till date.

Directs graduate students' research and supervises their dissertations on various issues on traditional and non-traditional security, administration of army run business enterprises, strategic studies, defence management, training management etc.

Team leader and Principal Researcher, Bangladesh Army, 2010.

Worked as the team leader of a research project undertaken by Bangladesh Army to mitigate the problems of managing army run educational institutions and imparting quality education to army children and wards. Took part in conceptual discussion, survey, interviews and contributed towards writing the report. The assignment involved suggesting a comprehensive admission/re-admission policy and recommending ways to better administer army run educational institutions.

Research Supervisor (Directing Staff), Defence Services Command & Staff College, (National University), 2005-2008

Directed twenty graduate students' research and supervised their dissertations on various issues on traditional and non-traditional security, administration of army run business enterprises, strategic studies, defence management, training management etc.

Intern Researcher, Bangladesh Army, 2008

Undertook research to determine the causes of gradual decrease of standard of officer candidates for joining Bangladesh Army.

PUBLICATIONS

A research article titled 'Prospect of Indigenous Military Hardware Production in Bangladesh' published in NDC Journal, 2006.
